Company of Mary Hospital Dedicated by Cardinal Here

Mayor Albert Isen and Supervisor Burton Chace yesterday took part in dedication of the \$3,500,000 Little Company of Mary Hospital at 4101 Torrance Blvd.

The dedication, presided over by James Francis Cardinal McIntyre, archbishop of Los Angeles, was praised by all speakers for its convenience, design, and

as a facility that will relieve the pressure on other hospitals in this mushrooming area.

The five-story hospital building is designed to allow for the future expansion of three more stories which will double the present capacity. The expansion will start within the next few years to meet the expected population growth in the area, said

Mother M. Patricia, hospital administrator.

Every medical and surgical facility is designed for achieving maximum efficiency in providing the best possible patient care.

One of the most important services is the emergency department on the ground floor.

This department will remain open and fully staffed 24 hours

a day to provide emergency care.

The hospital has a complete pediatric department, four operating rooms and recovery room, obstetrics and nursery department including two main delivery rooms; three labor rooms, one recovery room, plus one emergency delivery room.

Parking space and lighting is provided on the grounds.

Lomita Cleaner Robbed

A gunman last week took \$100 from a Lomita dry-cleaner. The bandit took the cash from Roy V. Sivard, the owner, near closing time.

The hospital will be operated by the Little Company of Mary, an order of nursing sisters founded in England in 1877 and will have a medical staff of about 175 doctors headed by Dr. John A. Wilson, Manhattan Beach.

Maximum Credits Granted ECC

Maximum accreditation has been granted to El Camino College by the executive committee of the Western College Association, it was announced today by Dr. Stuart E. Marsee, ECC president.

A five-man visiting team made the survey.

Action of the committee was based upon evaluation reports made by the commission for accrediting junior colleges and by the Commission on Membership and Standards of the Western College Association.
